THE HASHEMITE KINGDOM OF JORDAN
NATIONAL ELECTRIC POWER COMPANY
INVITATION TO BIDDER
TO SUBMIT

QUALIFICATION INFORMATION
FOR PRE-QUALIFICATION FOR THE DEVELOPMENT OF
AROUND 700 MW COMBINED CYCLE GAS TURBINE (CCGT) POWER PROJECT,
AT THE SITE LOCATED IN JORDAN
ON A BUILD, OWN, AND OPERATE (BOO) BASIS

On behalf of the Hashemite Kingdom of Jordan (HKJ), the National Electric Power Company (NEPCO) hereby invites interested qualified firms and consortia to submit qualification information for the right to tender for the development of a CCGT Project, including all support facilities (the Project), on a Build, Own and Operate (BOO) basis and to provide electricity to the National Electric Power Company (NEPCO) for an initial period of 25 years via a connection to the 132kV/400 kV transmission interconnection facilities to be constructed by NEPCO.

NEPCO hereby announces that the detailed Request for Qualifications (RFQ) will be available on or before the **middle of November 2025** on NEPCO's website (<https://www.nepco.com.jo/>). It is recommended to continuously checking NEPCO's website for the release of the RFQ. Alternatively, interested applicants may request the RFQ to be sent to them by email by registering with NEPCO and providing the following contact details via email to:

- adohni@nepco.com.jo, murad-omari@nepco.com.jo
- With a copy to: aabuhazeem@nepco.com.jo , okhader@nepco.com.jo , hmhussien@nepco.com.jo

The required contact details are:

- Applicant Name and Contact Person
- Address
- Telephone Number
- Fax Number
- Email Address

Project definition is complete and will be reflected in the Request for Proposals (RFP) to be issued to the pre-qualified bidders. The Project will be required to supply around 700 MW in Jordan. The Project will use natural gas as the main fuel and light distillate as secondary fuel.
